24th March 2009

Dear Parents,

Ofsted

You will have received a questionnaire from Ofsted in preparation for our forthcoming inspection; I received the phone call this morning! I look forward to meeting the two inspectors on Friday and sharing with them the positive impact we are all making on our children's learning. The inspection comes relatively soon after my arrival here in Sutton but I hope we can all demonstrate how well the school is progressing.

Text Messaging

You should have now received at least one text message from the school. The system appears to be working very well and is just another way of us keeping you up to date. If you haven't received a message please check that we hold the correct mobile number for you.

Healthy Schools Day

As well as having Ofsted inspectors on Friday, we are also promoting healthy living in a fun filled day! Please can children bring wellingtons and outdoor clothing as they will be digging, planting and generally enjoying themselves. We are still collecting old wellies if you are discarding any...

Breakfast Club

Just a reminder that the last admission for Breakfast Club is 8.15am. If you would like your children to attend Breakfast Club please make sure your child has arrived before this time as the door remains locked from 8.15 onwards for security reasons.

Post-box

From Monday 30th March there will be a wall mounted, secure post-box positioned in reception for the posting of dinner money, visit contributions and reply slips etc. Please ensure that all money is securely enclosed in a named, sealed envelope stating clearly what and who it is for. The post-box will be emptied daily

Swimming

There will be no swimming next Tuesday 31st March but it will resume after Easter on Fridays.

Yours sincerely,

Mr. S. A. Woodhouse
Headteacher
