7th January 2010

Dear Parents,

What a start to the new year! I apologise for any inconvenience closing the school may have caused you; I was left with no choice as staff and children would have been in danger from their treacherous journeys. We also lost the services of Pocklington Juniors for school dinners. I am hoping that we can now remain open and that the worst of the snow has passed. We always aim to send a text by 7.45am if school is closed. All local radio stations are also informed in the event of closure.

School Dinners

Due to the adverse weather conditions we are unable to provide hot school dinners for the foreseeable future. All children will need to bring a packed lunch until further notice.

Year 4/5/6 Residential

So far I have had 15 responses showing definite interest in the residential visit. I still need to have 3 more children in order for the trip to be possible. Should the visit go ahead, it will take place on **Friday 11th June to Sunday 13th June** at Dobroyd castle in Todmorden.

‘Friends of the School’ have very kindly offered to significantly subsidise the cost of the visit, resulting in a new price of **£100 per child**. The cost of the visit includes transport to and from school.

Please complete the reply slip below to confirm whether or not your child(ren) wish to attend the residential visit **if you haven’t already done so**. A representative from the residential centre will be visiting school on Monday 18th January at 15.30 to give a presentation to all interested parents and children. Children who are uncertain could still attend so that they know what is involved for possible future visits.

More details regarding payments will be sent to you later this month if the required number of children decide to take part.

Friends of the School

This valuable part of our school has, in the past, raised a great deal of money for the school. Unfortunately it has been inactive for a while now. We need a new, fresh team willing to take this forward and support our school. There will be a meeting at school on Tuesday 19th January at 3.45pm for anyone interested in becoming involved.

All the best for 2010,

Mr. S. A. Woodhouse
Headteacher
